Question:

Answer:

A country that speaks my chosen language: Find 6 fun facts about the language. You could include; regional accents, pronunciations, vocabulary (certain foods are different!), abbreviations, signs (for traffic?)

*Example* : A country\* that speaks Spanish - is Spain!

In Spain there are many dialects in different regions. My favourite Region is La Catalunya. The Capital is Barcelona. They speak Spanish but they call it *Castillano* which is spoken differently than the Spanish in Mexico, Espagnol. Some pronunciations are different.

*\* If you wish to choose Spain, add and continue 4 more facts about the language.*
